OVERVIEW

Freida is a stunning comprehensive collection. The dazzling strands of round crystal beads finished with slim hexagonal drops, cascade along the centre of each light and through the stylish organza shade. This sophisticated modern design is available in polished chrome with a white or grey shade or french gold with a more suitable ivory cream shade. A full range including a pendant, Semi Flush light, table and wall lamp provides the variety to build a family of lighting within one room.

Inspired Lighting Ltd. are continually developing and improving their products.
