OVERVIEW

Designed to make a statement, the Davos wall lights are available in cube, rectangular, or cylindrical shapes, offering a striking 3D presence that elevates any space. With powerful integrated LEDs casting light both upwards and downwards, the sleek metal frames-available in anthracite, white, black, or rust brown-deliver a dynamic, bi-directional illumination. Perfect for outdoor environments, this collection blends style with durability, boasting an IP54 rating to withstand the elements. Some variations now available in a gold finish.
