QUALITY STANDARDS	
Average Life (hrs)	25000hrs
Warranty (yrs)	5yrs

OVERVIEW

When customers offer feedback and create demand, Mantra listens. Following on from the Alisio range, Mantra introduces Alisio XL. In addition to a larger size, more powerful DC motor and higher wattage, Alisio XL can not only be used with the handheld remote included but is also compatible with Alexa and Google voice control. This ultra-modern ventilation lighting design, now also available in black, can now be seamlessly harmonised with the rest of the popular modern technology in your home or workspace. Given the compact configuration and design, it provides a reassuring security by hiding its transparent blades, in an aesthetically discreet way, avoiding dangers and involuntary accidents.
