OVERVIEW

Elsa is a mix and match range that includes a variety of shades in contrasting colours; clear, chrome, bronze, champagne or copper each with frosted inner cones, creating a mesmerizing play of light and texture. The E27 lampholders allow for versatile lamp choices. Elsa's canopy kits are available in black, gold, white or chrome all in various sizes with different hole quantities for the wide range of assembly bodies to attach to. Whether placed in dining areas, entryways, or living rooms, the Elsa pendants become a focal point, show casing their unique design and adding a luxurious ambiance to their given space.
