OVERVIEW

The evolution of the Zero range, now extending this cost effective LED lighting solution with the introduction of Zero CCT. This range is created with an acrylic white diffuser mounted onto a white metal plate. The new collection offers the same versatile design but now each item is CCT offering 3 colour temperature to suit any space; 3000K, 4000K or 5000K. With these advances Zero CCT offers an even more versatility with each fitting.
